1st Anderson's Rochus Noble. 23mth Tri. Lovely square outline, pleasing typey head, slightly rounded with good proportions, meridian line defined and moderate stop. Nice eye and expression. Neck flows into a well made front assembly with correct angulation. Deep chest and well sprung ribs. Very slight slope to topline over a short muscular loin. Moderate rear angles. Steady brisk mover, true fore and aft. **BD & BOS**

VD/B 3 (2)

1st Tully's Sh Ch Highclare Flaming Nora. This B just doesn't know she is 11yrs old. Full of quality, super outline & feminine throughout. Lovely head of correct proportions, losing her colour a little but you cannot miss her dark eyes and her 'mischievous' expression. Super front assembly, still retaining muscle over her correctly placed shoulders, nice amount of forechest, deep well sprung ribs to a short well muscled loin. Moderate rear angles, still well muscled. Super mover with correct reach and drive and still looks like she could go for hours. **BB & BOB**

2nd Stone's Jayricbrits Hobo Avec Glenfeshie. 7rd D. Lovely coby, square dog. A little broad through the skull but good muzzle proportions. Well put together with correct angles fore and aft. Deep well sprung ribs. Carrying a few extra pounds today. Moved ok.

PB 5 (2)

1st Cocking & Barnaby's Bonapartist Odette at Ruskinite. 11mth. Such a close call between 1 & 2. Loved the shape of this young lady, such a sweet expression, good meridian line and moderate stop. Neck flows into her shoulders which are well placed over well sprung ribs of good depth. Nice forechest, good bone and a straight front. Still some maturing to do as one would expect. A little up on the rear end today but that could change. A lovely mover, true coming and going and correct brisk stride in profile. **RBB & BP**

2nd Yarrow's Bonapartist Odile. Litter sister to the winner and another super youngster. A little taller than her sister but retaining correct overall shape and balance. Lovely head with correct eyes and ears. Well made forehead with deep chest and well sprung ribs. As 1, rising over the loin on the day. Well muscled rear and moved with correct profile movement but not as tidy coming towards as the winner.

3rd Rochus Olive (AI)

German Longhaired Pointer

PD/B 1 (0)

1st Thomson's Haste Ye Back. 9mth and quite a handful. Lovely head, masculine with good proportions. Eyes could be darker. Muscular neck into well laid shoulders. Lots of maturing to do, lacks forechest but front should tighten as ribs spring and drop. Good through body to a well muscles rear. Level topline. Rather 'happy' on the move. **BP**

1st Thomson's Ir Sh Ch/Lux Ch Sarscottah Arris Ir Jnr Ch CJW 16 CW 17. What a stunning boy. Masculine head of good proportions, breadth to skull, dark eyes & well set ears. Muscular neck flowing into well laid shoulders over deep well sprung ribs with forechest. Level topline, through a well-muscled loin to well angulated, muscular rear. On the move this boy maintains his frame with an easy, ground covering, profile gait and true both fore and aft. **BD & BOB**

2nd Speck's Sarscottah Astro. Litter brother to my winner and one I have done well before. Possesses many of the same qualities but just not the presence of 1. Love his head, good proportions and dark eyes. Well-made front depth and spring to his ribs, not as much forechest as his brother and feet not quite as tight. Well muscled through loin and rear. Another good mover when he concentrates and today was the best I have seen him go, free and stylish with reach and drive. **RBD**

OB 5 (3)

1st Thomson's Ir Sh Ch Sarscottah Charizma Ir Jnr Ch Lux Jnr Deu Jnr WW Jnr 17 WW. Just preferred this B for her substance. Noble look about her, lovely head and eyes, well set ears. Super front assembly with a little forechest, well laid shoulders, deep chest, level topline and a well angled muscular rear. Moves true with drive, would prefer a slightly lower tail carriage. **BB & BOS.**

2nd Walker's Sarscottah Catch A Rainbow. 2yr B built on a smaller frame than the winner but still well balanced. Lovely feminine head of correct proportions, well made fore and aft with a level topline. Deep well sprung ribs, good rear and moved well but she can be oh so naughty.**RBB**

Good overall shape with pleasing head shape and proportions. Nice dark eyes and well set ears. Front assembly ok with good forechest, lovely return of upper arm and nice bone. Chest reaching to elbows and ribs sprung, level topline. Moderate rear angles but a little long in rear pastern. Moved ok, lovely and straight coming and going but would like to see a bit more reach and drive.

2nd Stewart's Triseter Celtic Yeoman of Brodruggan (Ai) [ATC AW01574AUS] A very smart looking youngster, a touch long through muzzle at the moment but with nice dark eyes. Well made front assembly with forechest, good bone and neat feet. Lovely level topline and good rear angles. On the move though he was not as together as 1 and tended to throw his legs around a little too much today.

1st Hall's Melview Phoenix. Typey B of good size and outline. Correct through head with a 'naughty' expression. Lovely shoulders, good forechest and nice bone. Level topline to a well set tail. Good rear angles and a steady true mover with reach and drive.

2nd Collingborn's Graylacier Celtic Angel at Pollyspark. Built on larger lines than 1. Pleasing head and expression. Short neck and not the best lay of shoulder. Good bone but lacks depth to chest. A touch long through loin. Moderate rear angles and moved OK.

LB 2 (0)

1st Lines' Flaxheath Just for Me. Built on a larger frame, head ok although has a 'sad' expression. OK front assembly with good bone and deep chest. Moderate rear with good tailset but a little long in rear pastern. Moved a little better than 2nd but close fore and aft.

2nd Beese's Lainnireach Liberty Bell at Ashheys. Smaller B all over, preferred her head to 1st. Front assembly OK but lacks forechest, deep ribs and on the move held a level topline but tends to dip behind the shoulders on the stand. Moderate rear angles. Moved true behind but comes on very wide. Carry a few extra pounds today.

OB 4(1)

1st Phillips & Watkins' Sh Ch Flaxheath Top Model At Glenmaurangi. Headed up a close contest. This young lady is right up my street, everything needed in a Gordon Setter bitch. Lovely feminine head of correct proportions and depth, and dark eyes giving that soft intelligent expression. Correct length of neck into well laid shoulders, good forechest, lovely

bone and correct feet. Depth and spring of rib, level topline to well muscled and moderately angled rear. Super mover, true, reach and drive in a powerful steady gait. Not in the best of coat today but just loved her for her breed type. **BB & BOB**
